Elected to the Board of Equalization in 2006, Michelle Steel serves as the country's highest ranking Korean-American elected official. She represents the more than 8.5 million taxpayers of the Third Board of Equalization District, including the counties of Los Angeles, Orange, San Diego, Riverside, Imperial and San Bernardino.

The five-member State Board of Equalization (BOE) is a publicly elected tax board. The BOE collects more than \$53 billion annually in taxes and fees supporting state and local government services. It hears business tax appeals, acts as the appellate body for franchise and personal income tax appeals, and serves a significant role in the assessment and administration of property taxes.
